

## OUR FACILITIES

*CareMeridian* provides a continuum of high quality, cost-effective post-acute care and rehabilitation options to people of all ages with brain, spinal cord and other life-altering injuries and medically-complex illnesses. With program locations throughout the Western United States, *CareMeridian* offers a distinctive service delivery model, merging an experienced and skilled health care and rehabilitation team with state-of-the-art technology in community-based program settings designed to meet the unique needs of those we serve at every stage of their recovery.

CareMeridian Escondido opened its doors in 1990. The 10-bed, 3800 square-foot facility is in a rural setting, just 40 miles from San Diego and 10 miles from the San Diego Safari Park. The staff plans monthly outings to nearby locations, as well as ongoing facility-based activities.

*CareMeridian* is partner of The MENTOR Network, a national network of local providers serving at-risk youth, individuals with intellectual and developmental disabilities and people with brain, spinal cord and other catastrophic illnesses and injuries in nearly 40 states.
