

OUR FACILITIES

Founded in 1989, *CareMeridian* provides cost-effective, advanced post-acute care alternatives for catastrophically ill or injured patients of all ages. With 16 locations throughout Northern, Central and Southern California, as well as in the Southwest cities of Las Vegas and Phoenix, our unique service delivery model greatly enhances patients' quality of life.

CareMeridian is part of The MENTOR Network, a national network of local providers serving at-risk youth, individuals with intellectual and developmental disabilities and people with brain, spinal cord and other catastrophic illnesses and injuries in nearly 40 states.

- Medically Complex (including multiple trauma/fractures; multiple IV antibiotic therapy; isolation; and TPN, G - and J-tube feedings)
- High-Intensity Rehabilitation (licensed physical, occupational and speech therapists; recreational therapy, social services and community integration)

OUR POINT OF DIFFERENCE

Unlike most post-acute care alternatives, *CareMeridian* provides a non-institutional-like environment, creating surroundings conducive to quicker recovery. Each facility features sophisticated equipment, outdoor therapeutic areas and personalized bedrooms to make our patients feel like they are at home. In addition, our highly skilled and experienced care teams and individualized care plans ensure the highest quality recovery options.

At *CareMeridian*, we merge the aesthetics of a residential environment within the framework of state-of-the art technology and personalized service from an experienced and skilled health care team. In addition, *CareMeridian* has received accreditation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and has been recognized for meeting the Commission's healthcare quality and safety standards.

OUR CARE TEAM

With an industry leading 1:4 staff-to-patient ratio and 24/7 care, *CareMeridian* offers individualized care plans and personalized attention with our Interdisciplinary Treatment Team composed of: physicians; nurses; case managers; social workers; physical, speech and occupational therapists; activities directors; and dieticians.

OUR FUNDING OPTIONS

At *CareMeridian*, we strive to provide a higher quality and lower cost alternative, working closely with a variety of payors, including private insurance companies and workers' compensation specialists. We participate as an "In Network" provider for most major health plans and payors. Funding options include: HMOs, PPOs, Workers' Compensation, Private Insurance and Private Pay.
